

SIX BAYS. ONE PAGE.

For independent auto repair owners · Lehigh Valley, PA

Honest work, finally on the record.

Worse reviews. More customers.

The shop down the road has a lower rating than you and still outranks you, because their page is recent and yours is not. Every customer who walks through your door is already braced to be ripped off, and the straight, honest work you do all day leaves no public record of itself. The ask has to live at the counter, on every ticket, whether you are up front or under a car.
