

SIX OPERATORIES. ONE PAGE.

For dental practice owners · Lehigh Valley, PA

The ask nobody on your team has to make.

She couldn't feel her face.

The grateful moment happens while the patient is still numb, or anxious in the chair, or standing at the desk being handed a bill — and the front desk never asks, because nobody wants to ask in that moment. So take the sentence out of it. A card sits on the counter and in every operatory, and the patient taps it themselves when they are ready.
