

SIX TABLES. ONE PAGE.

For restaurant owners · Lehigh Valley, PA

Let the happy tables talk too.

Two hundred people ate here tonight.

One of them writes a review, and it is the one whose steak came out wrong. Furious diners write unprompted; happy tables eat, pay and leave. That is not a service problem, it is an asking problem. A card that lands with the check gives the other hundred and ninety-nine a place to put it, in the eight seconds before they stand up.
