

SIX ARTISTS. ONE PAGE.

For tattoo shop owners · Lehigh Valley, PA

The work is great. Make the shop findable.

It's on Instagram. Not on Google.

The work travels — healed shots, stories, tags — and the shop is still invisible the moment somebody searches for a tattoo shop near them. Your artists are building their own name, which is exactly what artists do. So the asking cannot live in the person. It lives at the station, at the end of the session, on every piece that walks out.
